Termination of this Agreement shall not affect irrevocable obligations assumed by the GS/OAS with respect to the Project prior to receipt of the notice of termination. In this respect, such obligations shall be paid out of the financial resources of the approved budget, including the costs to the GS/OAS resulting from early termination of its services.

## Cross cutting themes (especially gender and the environment)

Describe any impacts that the sub-project will have on gender equality and or the environment. Are there any special crosscutting issues which need to be considered? The sub-project has been designed to benefit associations of small producers from indigenous groups living in poor regions of Peru who farm using environmental friendly methods. Their products have been certified organic.

In the case of ASCENPROMUL, the association is led by a woman and the majority of the directors are women as well. The sub-project will be designed and executed taking into account gender considerations.

## **Beneficiaries** Who are the primary beneficiaries of this sub-project? How will they benefit?

The primary beneficiaries are two associations of small producers, their families and their communities:

- 1. Associación Central de Productores Multisectoriales (ASCENPROMUL) that combines 12 smaller associations with a total of 370 organic quinoa producers of the Puno region of Peru.
- 2. Asociación de Productores Agroecológicos de Mango Orgánico de Tambogrande (AGROTAM) that combines 4 associations with a total of 196 mango producers of the Piura region of Peru.

#### **Result Statements (Summary LFA)**

#### **GUIDE TO COMPLETE TRAVEL EXPENSE CLAIMS FOR CIDA PROJECTS**

The following documents were referenced:

- Treasury Board Travel Directive (including Appendices) htt://www.tbs-sct.gc.ca/pubs\_poil/hrpubs/TBM\_113/td-dv-eng.asp
- CBoC Financial and Administrative officer's guide.

#### 1. AIR TRAVEL

Lowest economy fare.

Used tickets and boarding passes must be submitted with the expense claim and/or invoice and receipt as evidence of travel.

#### 2. ACCOMODATION

Original invoice must be submitted

#### 3. MEALS AND INCIDENTALS EXPENSES ALLOWANCE

- If the duration of the trip takes place during the same day, only the relevant allowance(s) shall be paid (no incidental allowance).
- Normally, the incidental expense must be claimed on the basis of the location in which breakfast is taken.
- Reduced rates apply when a traveler stays in private accommodation (refer to rows marked "P" in Appendix C or D of the Travel Directive).
- A meal allowance shall not be paid to a traveler with respect to a meal that is provided (i.e. meals on the plane).
- CBoC and CIDA will not reimburse the meal that is provided during the attendance of a conference or where a meal is provided by an organization or partner. As well as, if breakfast is provided with accommodation (i.e. Bed & Breakfast) consultants may not claim the allowance for breakfast.

The following are some clarifications on incidentals:

- ❖ The incidental expense portion of the allowance is intended to cover such items as tips, porters, wear-and-tear on luggage, etc. so these cannot be claimed separately.
- Normally, incidental allowance must be claimed on the basis of the location in which breakfast is taken (i.e. where you wake up).
- When a traveler visits different locations within a country on the same day, the incidental expense allowance paid shall be that for the location where the day commences.

#### 5. TAXIS

❖ A receipt should be presented for any taxi fare. The receipt should specify the date, origin, destination and purpose of the travel.

#### 6. Additional business expenses

CIDA will normally reimburse the traveler for other project-related expenses, based on submission of receipts. Some additional expenses could be:

- Bottled water (in situations deemed necessary and based on receipt for reasonable quantities)
- Photocopies.
- Word-processing services
- Faxes
- Internet connections
- Obtaining entry documents (cost of visa and photos)
- Any required inoculations and vaccinations.
- Excess baggage (provide and explanation)
