THEME NIGHTS

DOMINICAN NIGHT

Be a part of this wonderful festivity that will fill your night with joy. Dominicans are famous for their unique way to party, once your group tastes the Dominican flavor they will understand why there is no other people who needs so little to party. It does not matter what happens the party never ends and merengue, salsa are always there.

AZTECA PARTY

Andale, Andale ¡!!!, the mariachis, and Pancho Villa are still alive and they are here in the Caribbean!! Tonight will be unforgettable, suddenly you will be in Mexico and you won't know how but you will be singing and dancing to the sound of a Ranchera (is it the tequila????). Allow your imaginations to fly and enjoy the moment. Feed your palate with these spicy flavors and let yourself be a "VIVA WYNDHAM" Person.

GIPSY NIGHT

The Magic of one night in the Caribbean, it is written in the stars! You always dreamt of traveling as the gypsies, to live a night of intense emotions, discovering their passion; the scents and colors, it will move you and you will never be able to say no to this deep look that will invite you to drink, dance and sing by the light of the moon, surrounded by friends that live truly "VIVA WYNDHAM"

GALA DINNERS

EXCURSIONS

Follow us to discover the Dominican Republic, Book one of our excursions. You will enjoy it!

SAONA ISLAND

Close your eyes; this is the island of your dreams... Just East of the National Park, we arrive at a spectacular white sand beach, surrounded by beautiful palm trees with untouched nature on all sides. Then we move to the fishing village to enjoy a typical fisherman lunch. After we have a refreshing stop in the "Natural Pool" and back to the hotel ... don't forget the camera!!!

SANTO DOMINGO

Welcome to the first city in the New World discovered by Christopher Columbus. A day through the colonial area You will visit the "Alcazar", the "National Pantheon", and the first cathedral in the New World. Lunch is then offered in an international restaurant. In the afternoon, you will visit the beautiful aquarium in Santo Domingo our final stop at the "Mercado Modelo"

DOMINI - BUS

A great day in the heart of the Dominican Republic! Discover the typical way of life and explore the unvisited corners on our "School Bus" without windows, a palm roof, an all inclusive-bar inside, international music and a exciting atmosphere. Don't forget the good mood and the camera. Includes a Grill lunch and a boat exploring tour. See you soon!

ALTOS + RIO CHAVON

We visit Altos de Chavón, a reconstruction of a 16th century Spanish village situated on top of the hill overlooking the spectacular Rio Chavón. You will also visit the Amphitheatre, the Indian Museum and the exclusive boutiques, then a great emotional tour by motor boat down the Chavón River.

For every 25 people, one person is FREE. All the excursions include transfer.

TRANSFERS

We also offer transfer services, one way and round trip.

DIVE SITES

ANCLA 30ft 9m This reef is a flat garden in front of Viva Wyndham Dominicus Beach, with many types of coral and sponges. An ancient anchor 12-15ft/4-5m long, lies on this reef conceal by a small garden of coral. Shore dive, perfect for night dive

PARQUE, CASA ESTRELLA, AQUARIO, ANGUILLAS PARADISE 40ft 12m These 4 shallow reefs are found in front of "Parque Nacional del Este". Here you will find a large variety of coral, soft coral, sponges and sea fans, you can also find barracudas, Nassau groupers, spotted eels, green moray, spotted sting rays, angel fish, star fish and porcupine fish. Perfect for beginners or novice divers.

QUASIMILLA, EL FARO 54ft 16m This beautiful reef is a flat garden with many types of coral and sponges. The abundance of sponges has created a perfect environment for turtles and lobsters. At certain times of the year it is also possible to see huge schools of jack fish and snapper, barracudas and other large fish. This dive site is a light current dive.

TORTUGA 70ft20m This beautiful reef is a flat garden with many types of coral and sponges, easy to see turtles and lobsters. It is also possible to see huge schools of jack fish and snappers, barracudas and other large fish. This dive is a light current dive.

BAJO DE LA MINA 60-100ft 18-30m Reef in front of La Romana, on the way to Catalina Island, where you will find green and black coral and huge sponges of many different colors, easy to find green moray eels, turtles, grouper and reef sharks. This dive is for expert divers.

CATALINA CANYON, CATALINA WALL 100ft 30m These walls lies at 15ft/5m, in the drop of you can find green and black coral and huge sponges. It is also possible to see sharks, turtle and moray eels. The abundance of sponges, sea fan and soft coral, has created a perfect environment for schools of colored fish such as angelfish, butterfly fish and pork fish. Barracudas, groupers and horse eye jacks are also common. These are wall dives.

THE ST. GEORGE She lies at 135ft/44m. This wreck is a 240ft/80m cargo. In the 1998 was deeply damaged by Hurricane George. It was sunk in front of Viva Wyndham Dominicus Beach in 1999 to create an artificial reef. The new marine life finds, in this shipwreck, the best condition for growth and with the time this dive will be the amazing dive spot of this zone. The dive conditions and the depth of the shipwreck make this dive suitable for advanced divers.
