FOR

THE OAS SCHOLARSHIP PROGRAM

**COOPERATION AGREEMENT BETWEEN THE GENERAL SECRETARIAT
OF THE ORGANIZATION OF AMERICAN STATES AND
THE UNIVERSITY OF TECHNOLOGY, JAMAICA
FOR THE OAS SCHOLARSHIP PROGRAM**

The Parties to this Agreement, the General Secretariat of the Organization of American States ("GS/OAS"), and the University of Technology, Jamaica ("the University")

Recognizing, that the Heads of State and Government of the Americas, meeting in the 1998 Summit in Santiago, undertook to accelerate development in the region by expanding and strengthening learning opportunities;

Considering that the GS/OAS has expanded the OAS Scholarship Program ("the Program") to increase educational opportunities in the Americas through a consortium of universities that support this undertaking;

Taking into account that the GS/OAS annually awards hundreds of scholarships for graduate studies and research, as well as scholarships for undergraduate study, and that the number of those scholarships can be multiplied through arrangements for cost sharing, joint scholarships, and tuition reimbursement with universities which elect to participate in the Program;

Considering that the University has been selected by past OAS scholarship recipients as a preferred place of study and is desirous of participating in the Program;

Recognizing that they share a common interest in selecting and supporting outstanding individuals from the Americas for study and training at the University;

Agree:

ARTICLE I

OBJECTIVE

1. The objective of this Agreement is to establish the terms and conditions for cooperation between the Parties in cosponsoring eligible OAS scholarship recipients ("Scholars") for studies at the University, as part of the OAS Scholarship Program.

ARTICLE II

EXCHANGE OF PROGRAM INFORMATION

- 2.1 The University shall provide the GS/OAS with information and documentation on the programs for which it will consider applications from interested candidates under this Agreement. The information shall include the full World Wide Web address, if any, of the University. For its part, the GS/OAS shall include this information on its web site and in public announcements and shall link the web site of the University (<http://www.link.com>) to the GS/OAS web site.
- 2.2 GS/OAS will provide the University with information on the scholarship assistance available under the Program, including its World Wide Web address (<http://www.educoas.org/eng/>). The University shall publicize these scholarship opportunities in its catalogue and web site, including a link to the GS/OAS web site.

ARTICLE III

PROGRAMS AND REQUIREMENTS

- 3.1 The Scholarship is only available for the following types of study or research:
 - a. Full-time study for the final two years of undergraduate studies, subject to the OAS regulations in this regard.
 - b. Full-time graduate study for up to two years leading to a Masters Degree or the equivalent
 - c. Full-time graduate study for a Ph.D. or equivalent degree, including thesis research, for up to two years with GS/OAS financing and the remaining period with financing from the University.
- 3.2 Under the terms of this Agreement candidates interested in an OAS Scholarship ("the Scholarship") must satisfy all eligibility requirements for an OAS scholarship and must also satisfy all the requirements of the University for admission to the desired program of studies

ARTICLE IV

APPLICATION MODALITIES

- 4.1 The OAS Scholarship Program utilizes the following scholarship application modalities:
- a. **Parallel applications to an educational institution and to the OAS:** in this traditional modality, the student applies directly to the university of his or her choice for admission. The student simultaneously applies to the OAS for a scholarship to finance those studies.
 - b. **Single application to the OAS for a scholarship:** in this agency-placed modality, the student applies only to the OAS for a scholarship, indicating his or her preferred institution(s) of study. The GS/OAS seeks university admission for those applicants selected for scholarships.
- 4.2 Students interested in participating in the OAS Scholarship Program under this Agreement can choose to do so under any of these two modalities. Application for an OAS scholarship has to be made through the National Liaison Office designated by the authorities.
- 4.3 Students that choose the dual application modality and apply directly to the University for admission will be required to submit their letter of acceptance in order to be considered for an OAS scholarship
- 4.4 Candidates selected for scholarships under the single application modality who indicated a preference for the University, shall be submitted to the University for consideration. Additionally, other qualified candidates may also be submitted to the University for consideration.

ARTICLE V

SCHOLARSHIP BENEFITS AND FUNDING OBLIGATIONS

- 5.1 In accordance with established rules, OAS scholarships can only be granted for a maximum of two years. Financing of studies that extend beyond this time frame shall be assumed by the student and/or the University through their own financing mechanisms, taking into account the program of study and the requirements of each case.

- 5.2. Candidates selected for an OAS scholarship will receive some or all of the benefits described below. These benefits shall be in accordance with the scholarship regulations and rates of the OAS and will be specified in the scholarship contracts issued by the Organization. These benefits are contingent upon satisfactory progress in the program of studies and the continued enrollment of the candidate as a full time student.
