AND WHEREAS, at the 31st regular session of CICAD held in Washington D.C. between April 29 and May 2, 2002, the Commission approved a presentation by CICAD's

THEREFORE the following has been accepted between the Permanent Mission of the Kingdom of the Netherlands on behalf of the Netherlands Antilles and GS/OAS ("the Signatories"):

Paragraph I Scope and Objectives

- I.1 This Memorandum of Understanding (hereinafter "MOU") sets forth the terms and procedures for promoting increased participation of the Netherlands Antilles in the meetings and activities of CICAD, as part of the Kingdom of the Netherlands which is a Permanent Observer to the Organization of American States.
- I.2 This MOU furthermore sets out a framework for cooperation, with the objective of strengthening the mutual interest in reducing drug trafficking and related activities, as well as the strengthening of the capacity of the Netherlands Antilles to deal with these problems.
- I.3 The objectives of fostering the increased participation are to contribute to the strengthening of the drug control and related programs, policies, practices and institutions in the Netherlands Antilles through increased contacts with other CICAD participants, whether OAS member countries, non-OAS member countries or non-OAS territories in the Caribbean Basin, through multilateral coordination and cooperation and thereby endeavoring to more completely blanket the Caribbean region against the effects of the drug problem in all its aspects.
