The Parties to this Agreement, the General Secretariat of the Organization of American States ("GS/OAS"), through and for the Executive Secretariat for Integral Development of the Inter-American Agency for Cooperation and Development ("SEDI/IACD") and Wake Forest University ("the University")

ARTICLE I

OBJECTIVE

1. The objective of this Agreement is to establish the terms and conditions for cooperation between the Parties in cosponsoring eligible OAS scholarship recipients ("Scholars") for studies at the University, as part of the OAS Scholarship Program.

ARTICLE II

EXCHANGE OF PROGRAM INFORMATION

- 2.1 The University shall provide the SEDI/IACD with information and documentation on the programs for which it will consider applications from interested candidates under this Agreement. The information shall include the full World Wide Web address, if any, of the University. For its part, the SEDI/IACD shall include this information on its web site and in public announcements and shall link the web site of the University (<http://www.link.com>) to the SEDI/IACD web site.
- 2.2 SEDI/IACD will provide the University with information on the scholarship assistance available under the Program, including its World Wide Web address (<http://www.educoas.org/eng/>). The University shall publicize these scholarship opportunities in its catalogue and web site, including a link to the SEDI/IACD web site.

ARTICLE III

PROGRAMS AND REQUIREMENTS

- a. Full-time graduate study for up to two years leading to a Masters Degree or the equivalent
 - b. Full-time graduate study for a Ph.D. or equivalent degree, including thesis research, for up to two years with SEDI/IACD financing and the remaining period of study not to exceed four years with financing from the University.
- 3.2 Under the terms of this Agreement candidates interested in an OAS Scholarship ("the Scholarship") must satisfy all eligibility requirements for an OAS scholarship and must also satisfy all the requirements of the University for admission to the desired program of study.

ARTICLE IV

APPLICATION MODALITIES

 - b. **Single application to the OAS for a scholarship:** in this agency-placed modality, the student applies only to the OAS for a scholarship, indicating his or her preferred institution(s) of study. The SEDI/IACD seeks university admission for those applicants selected for scholarships.
- 4.2 Students interested in participating in the OAS Scholarship Program under this Agreement can choose to do so under any of these two modalities. Application for an OAS scholarship has to be made through the National Liaison Office designated by the authorities.
 - 4.3 Students that choose the dual application modality and apply directly to the University for admission will be required to submit their letter of acceptance in order to be considered for an OAS scholarship
 - 4.4 Candidates selected for scholarships under the single application modality who indicated a preference for the University, shall be submitted to the University for consideration. Additionally, other qualified candidates selected for scholarships may also be submitted to the University for consideration.
