

## TABLE OF CONTENTS

ACKNOWLEDGMENTS .....	v
PREFACE .....	vii
ACRONYMS .....	xiii
INTRODUCTION .....	1
PART 1: GENERAL SUMMARY ON THE VULNERABILITY TO NATURAL HAZARDS OF THE PAN AMERICAN HIGHWAY AND ITS COMPLEMENTARY CORRIDORS .....	5
Pan American Highway vulnerability to natural hazards .....	5
National reports on the vulnerability to natural hazards of the Pan American Highway in Central America .....	8
PART 2: RELATIONSHIPS OF ACTIVITIES REGARDING VULNERABILITY REDUCTION TO NATURAL HAZARDS OF THE CENTRAL AMERICAN TRANSPORTATION SECTOR .....	11
Figure 5. Contributions of the OAS–USDOT Project on Vulnerability Reduction of the Transportation Sector to SIECA and CEPREDENAC Regional Activities .....	15
PART 3: CONCLUSIONS AND RECOMMENDATIONS .....	27
The elaboration of national vulnerability studies to natural hazards of the Pan American Highway and evaluation methodologies .....	27
Civil Mitigation Works.....	30
Activities towards the reduction of natural hazard vulnerability in Central America .....	31
LIST OF FIGURES	
Figure 1. Nomenclature of the Pan American Highway and its Complementary Corridors of the Highway Network in Central America .....	1
Figure 2. National Studies and Coordination Focal Points .....	8
Figure 3. Vulnerable Distance to Natural Hazards in the Pan American Highway .....	9
Figure 4. Total Cost in U.S. Dollars of the Identified Labor in Vulnerability Reduction of the Pan American Highway .....	9
Figure 5. Contributions of the OAS-USDOT Project on Vulnerability Reduction of the Transportation Sector to SIECA and CEPREDENAC Regional Activities .....	15

BIBLIOGRAPHY ..... 33

ANNEXES

Annex A OAS-USDOT FORMAT

Annex B Matrices on the Vulnerability of the Pan American Highway and  
its Complementary Corridors Presented in the National Reports
