

STUDY CHECKLIST FOR MOAS/PC PREPARATION

Complete this 6-Step easy checklist for an adequate performance in the Model (compatible with the Pyramid graphic):

- CONDUCT A GENERAL RESEARCH ABOUT YOUR ASSIGNED COUNTRY**
Political system, location, economy, main industries, and role of your assigned country in the region and economic block.
- READ ABOUT YOUR COMMITTEE TOPIC**
Use the “List of Reference Documents” published in the MOAS/PC web page.
- UNDERSTAND THE POSITION OF YOUR ASSIGNED COUNTRY REGARDING YOUR TOPIC**
Contact the Permanent Mission of your assigned country to the OAS to get information.
- ANALYSIS AND CRITICAL THINKING**
Analyze all the data gathered above. Structure your ideas and proposals following your assigned country’s standpoint.
- WRITE A POSITION PAPER**
Include your findings, country position, proposals and highlights on your topic (3 pages approx). **This document is for your own use.** **Important:** If two (2) or more delegates are representing one (1) country in the same Committee, a team effort is required to complete this step.
- WRITE YOUR GENERAL STATEMENT FOR PRESENTATION**
This is an excerpt from the Position Paper to be presented orally during the first session of the committees. Include the aspect(s) of your topic to be proposed. You may want to include what your country has done about it. Justify your proposal (1 minute max.). **Important:** If two (2) or more delegates are representing one (1) country in the same Committee, each delegate will present a General Statement on a different perspective of the topic.
