- 1.2 The GS/OAS is seeking suitable Travel Management Companies (TMCs) that can provide the GS/OAS with off-site travel management services for Official Travel of the GS/OAS' travelers, in accordance with the applicable policy.

GS/OAS' travelers are GS/OAS' staff, independent contractors, and all other persons affiliated with the GS/OAS that require air or rail transportation from and to any city in the world.

Official Travel is the travel that serves exclusively the following purposes: i) For an internationally recruited staff member, upon assumption of his/her initial post or upon assignment to another official duty station; ii) For carrying out a mission or other official business of the OAS; iii) For purposes of home leave; and, iv) For repatriation on separation from service.

There is also significant local travel in some countries where we have considerable project execution. We also conduct international travel from different regions in the hemisphere to the USA and to other destinations.
