▼ ABOUT ESAN UNIVERSITY & OAS

The OAS General Secretariat (GS/OAS) is the central and permanent organ of the [Organization of American States](#) (OAS). Through its Department of Human Development, Education and Employment (DHDEE), the GS/OAS supports [OAS member states](#) in creating policies and executing programs that promote human capacity development at all educational levels. By enabling formative opportunities to citizens, the DHDEE strengthens democratic values and security under the framework of regional integration. The DHDEE does this: (i) by supporting the efforts of OAS member states to improve the quality of and equity in education; and (ii) by assisting the citizens of the Americas in realizing their full potential, by giving them access to knowledge and skills through training that improves the standard of living for individuals, families and communities in the region.

ESAN University is the first postgraduate academic institution in Administration created in the Spanish speaking world. It was established on July 25, 1963 in the framework of an agreement between the Governments of Peru and the United States of America. Its organization and management was entrusted to the Graduate Business School of Stanford University, California. Converted into a university on July 12, 2003, (Law No. 28021), ESAN currently offers Master's degrees in Administration, specialized Master's (Organization and Management of Personnel, Supply Chain Management, Marketing, Healthcare Management, Management and Real Estate Development, Project Management, Office of Information Technologies, Finance and Corporate Law, Finance), eight career paths at the undergraduate level and programs designed for executives in various formats, corporate programs, and other academic and professional services.

▼ ABOUT THE INTERNATIONAL MBA

The [International MBA](#) gives students the opportunity to live a global learning experience from the beginning of the program. This is expressed in multiple dimensions:
