ABOUT THE PARTNER INSTITUTIONS

The General Secretariat of the OAS (GS/OAS) is the central and permanent organ of the [Organization of American States](#) (OEA).

- Through its Department of Human Development, Education and Employment (DHDEE), the GS/OAS supports [Member States](#) in creating policies and implementing programs that promote the development of human capabilities at all educational levels.
- By enabling educational opportunities for citizens, DHDEE strengthens democratic values and security within the framework of regional integration.
- DHDEE does this by: (i) supporting the efforts of OAS member states to improve quality and equity in education; and (ii) helping the citizens of the Americas to develop their full potential by providing them with access to knowledge and skills through training that improves the living standards of individuals, families and communities in the region.

[MIU City University Miami](#) (formerly known as Marconi International University), founded in 2012, is an innovative American university based in Miami, Florida.

- MIU is dedicated to innovation in learning technologies and methodologies, as well as advanced international research in the service of societal change and progress.
- MIU is committed to excellence and quality, inspiring programs that prepare students to address global changes and successfully apply their academic knowledge to real-life situations.
- Its mission is to provide innovative and affordable high quality degree programs and learning opportunities for domestic and international students, utilizing the latest technologies and responding to the needs of students in their pursuit of academic, personal and professional integrity.
- MIU is part of the PROEDUCA Group, which is the undisputed leader in education in Spain, with more than 10 years of experience in online undergraduate and graduate higher education and a growing presence in Latin America.
- MIU holds an Operating license granted by the [Florida Department of Education \(Commission for Independent Education- CIE\)](#)
- MIU is accredited by the [Accrediting Council for Independent Colleges and Schools \(ACICS\)](#)

ACHIEVEMENT AND INITIATIVES

The mission of [MIU City University Miami](#) (formerly known as Marconi International University) is to provide innovative and affordable undergraduate and graduate degree programs and learning opportunities for domestic and international students, using the latest technologies and responding to the needs of students in their pursuit of academic, personal and professional integrity. MIU is committed to meeting the needs and expectations of all stakeholders (students, teaching and research staff, administrative and service staff, public administrations and society in general), involved in the process, through quality training striving for continuous improvement and excellence. MIU is especially geared towards those students who, for various reasons, cannot access face-to-face learning centers, or those who can, but prefer to opt for the more open and innovative online solutions brought about by emerging technologies.
