Call to Institutions to Offer Scholarships for Professional Development Courses in 2018

The Department of Human Development, Education and Employment (DHDEE) of the Executive Secretariat for Integral Development (SEDI) of the General Secretariat of the Organization of American States (GS/OAS) is pleased to open its call for institutions to participate in its **2018 Professional Development Scholarship Program (PDSP)**.

Offering training and educational opportunities helps to address the development needs of OAS member states by providing a vital investment in human capital. Participants return to their home countries, implement the knowledge learned and pass what they have learned on to others. In this way, the Professional Development Scholarship Program helps the Inter-American Council for Integral Development (CIDI) meet the goals embodied in the Development Pillar of the [Comprehensive Strategic Plan of the Organization of American States](#).

I. Background

The Professional Development Scholarship Program (PDSP) offers opportunities to citizens of OAS member states to expand or refresh their professional expertise. OAS scholarships are for studies at institutions outside of candidates' countries of citizenship or permanent legal residence.

As per the areas of work of SEDI, the courses must be related to the following areas for action:

1. Education;
2. Social Development and Creation of Productive Employment;
3. Economic Diversification and Integration, Trade Liberalization and Market Access;
4. Scientific Development and Exchange and Transfer of Technology;
5. Strengthening of Democratic Institutions;
6. Sustainable Development of Tourism;
7. Sustainable Development and the Environment; and
8. Culture
