**Director of Marketing, Fly Jamaica Airways**

Kayla Reece is the Director of Marketing at Fly Jamaica Airways. She holds a BA in Communication Arts and a Post Graduate Diploma in Gender Studies & Law. Research for her dissertation, entitled "The Backdam: Gender Violence and the Denationalisation of Indigenous Women and Girls' Rights in Gold Mining Spaces", was conducted in Baramita Village, Region 1.

Ms Reece has worked in New York and London mainly within grassroots feminist organisations that work to combat gender and social inequalities. She is the founder of Wam Gyal, a women's collective registered here in Guyana that will commence work, later this year, on the empowerment of women across the global south.
