## Summer school 2011

### SUMMER SCHOOL IN CONSUMER LAW National, comparative and international developments

Montreal, 4 to 9 July 2011

With the support of

With the collaboration of

#### OBJECTIVES

- To offer a quality and intensive training in consumer law, focusing on international and regional law developments
- To promote the sharing of knowledge, experiences and practices between participants from different countries and to encourage comparison between legislative solutions
- To provide participants with important updated documentation
- To consolidate an international network of expertise in consumer law, particularly on the inter-American level.

#### CANDIDATES

- Students
- Professors, teachers, lecturers, scholars and researchers
- Judges, lawyers or consultants, activity credited
- Civil Servants from national institutions responsible for consumer protection policy
- Civil Servants from international or regional organizations that develop initiatives in consumer protection or in closely related fields
- Consumer Organizations' officials, representatives or other actors from the associative world working in related fields (sustainable consumption, fair trade, standard of living, patients' rights, etc.)
- Economic actors and professional associations' officials or representatives

#### ORGANIZERS

*Groupe de recherche en droit international et comparé de la consommation (GREDICC)*  
Gredicc is a research unit accredited in the Juridical Sciences Department of University of Quebec in Montreal's (UQAM) Faculty of Law and Political Science. The center gathers together professors and researchers from UQAM and from other Quebecer, Canadian and international Universities. It currently works on the development of a network of expertise in consumer law throughout the Americas. Its current research projects cover : (i) reform of Quebec's Consumer Protection Law, (ii) the status of consumer protection policy in regional and international trade agreements, (iii) reevaluation of consumer law's theoretical frame in an era of globalization and sustainable development, (iv) autonomy of

#### Cycle des conférences du GREDICC

Le jeudi 7 avril prochain, de 12:30 à 14:00, se tiendra à l'Université du Québec à Montréal, au W-2235, la cinquième et dernière conférence du cycle de conférences du GREDICC. **Pour ou contre un Code de la consommation au Québec. Suite.** Cette conférence sera présentée par Monsieur William de Merchant, analyste à l'Union des consommateurs et Arthur Oulai, chargé de cours, Faculté de droit de l'Université de Sherbrooke.  
[Détails](#)

#### Réforme LPC

Vendredi le 30 avril dernier a eu lieu une conférence du GREDICC qui avait comme sujet le rapport final des recherches de Pierre-Claude Lafond, Lindy Rouillard et Thierry Bourgoignie.

*UQAM Association of Postgraduate Students in Law (AECSD-UQAM)*

The UQAM Association of Postgraduate Students in Law (AECSD-UQAM) includes all master's and doctoral students in Law. It is active in the organisation of scientific activities and at the promotion of students' interest regarding education, formation, research and services to students. The AECSD-UQAM participates in the organisation of various scholarly activities as the Social Law and Labour Law Day, summer schools and reflection circles.

*Cátedra euro-americana de protección jurídica de los consumidores* The Euro-American Chair on the Juridical Protection of Consumers (Cátedra euro-americana de protección jurídica de los consumidores) is a joint initiative from the Cantabria University and the government of the Autonomous Community of Cantabria ; based in Santander, Spain. Its objective is to develop a forum for academic research on the juridical protection of consumers. It gathers together numerous Latin American, North American and European Universities. The Chair supports activities and research projects that can contribute to the reinforcement of consumer protection. GREDICC is the Canadian partner of the chair ; the two institutions organized together the International Conference on Economic Regional Integration and Consumer protection, held in Montreal in October of 2007.

#### **CREDITED ACTIVITY FOR STUDENTS**

Participation to the Summer School can earn 4 university credits for graduate and postgraduates students.

The course is part of UQAM's course bank and bears the following code and title : **FPD790A-80. Droit national et international de la consommation** (4 cr.) and **JUR665D. Droit comparé et international de la consommation** (3 cr.). For more information : [Syllabus](#)

#### **CREDITED ACTIVITY FOR MEMBERS OF THE BAR**

Action is being taken in order to have the summer school recognized by the Barreau du Québec as a credited activity within the framework of the mandatory training program for lawyers. Note that the summer school 2009 had been recognized as such by the Barreau du Québec.

#### **DOCUMENTATION**

A complete and updated collection of documents will be handed to the participants on CD-rom, at the opening of the Summer School. This collection will include a selection of legislative documents and other relevant legal texts and articles.

#### **ACCOMODATION IN MONTREAL**

A wide range of hotels and apartments located in the immediate surroundings of the UQAM will soon be suggested (see the following section).

#### **SOCIAL ACTIVITIES**

Free time during the evenings has been planned in order to enable participants to do some sightseeing in Montreal and to enjoy the various cultural events the city have to offer during summertime. UQAM is located in a lively district (named le *Quartier Latin* – or Latin Quarter) and lies a 15-minutes walk away from downtown.

In order to give the participants and professors the opportunity to socialize and also to discover some natural beauties of Québec, a day off in the nature will be proposed to the participants on Thursday the 6th of July. Different activities will be offered , such as walks in the forest, canoe, barbecue, ...
