The Parties to this Supplementary Agreement ("the Supplementary Agreement"), the General Secretariat of the Organization of American States (hereinafter "GS/OAS"), a public international organization with headquarters at 1889 F Street, NW, Washington, D.C., 20006, through its Department of Human Development, Education and Employment ("DHDEE"), represented by Kim Osborne, Executive Secretary of the Executive Secretariat for Integral Development, and the University for International Cooperation ("UCI" or "University"), a private institution, based in Rotunda El Farolito, 200m East and 150m North, Barrio Escalante, San Jose, Costa Rica, and represented by Dr. Eduard Müller Castro, Rector of the UCI in Costa Rica, who is authorized to sign this Supplementary Agreement on behalf of the University,

Considering

That on December 18, 2012, the Parties signed a Cooperation Agreement ("Cooperation Agreement"), to strengthen education and human development in the Americas;

That pursuant to Article 3.1 of the Cooperation Agreement, the Parties agreed to implement joint activities and projects, and that this Supplementary Agreement is signed pursuant to Article III of that Cooperation Agreement;

That the terms and conditions, spirit, programmatic and juridical framework set forth in the Cooperation Agreement are made part of and apply to this Supplementary Agreement by reference, unless otherwise specified herein;

That the Parties share an interest in selecting and supporting outstanding individuals in the Americas to study at the University, through the Partnerships Program for Education and Training ("PAEC"); and

That GS/OAS is the central and permanent organ of the Organization of American States ("OAS") and is authorized to carry out relations of cooperation in accordance with Article 112(h) of the OAS Charter and General Assembly Resolution AG/RES. 57 (I-O/71),

Have Agreed to enter this Supplementary Agreement, as set forth below:

ARTICLE I OBJECTIVE AND SCOPE

- 1.1 The purpose of this Supplementary Agreement is to establish the terms and conditions for the co-sponsorship of a total of sixty-six (66) scholarships under PAEC ("OAS-UCI Scholarship") to be distributed evenly between UCI's three Master's degree programs (collectively "Programs"): Master's degree program in Project Management, which shall be conducted in English ("MPM Program"), Master's degree program in Project Management (Maestría en Administración de Proyectos), which shall be conducted in Spanish ("MAPD Program"), and Master's degree program in Management of Sanitary Programs in Food Safety (Maestría en Gerencia de Programas Sanitarios en Inocuidad de Alimentos), which shall be conducted in Spanish ("MIA Program").

ARTICLE II THE PROGRAM

- 2.1 The Programs shall be offered partially online, through UCI's platform, for those students selected for the OAS-UCI Scholarship ("Scholarship Recipients"). The MPM Program's and MAPD Program's approximate duration is twenty (20) months and both shall be conducted completely online. The MIA Program's approximate duration is twenty two (22) months and, in addition to the online portion, requires the completion of a one week on-site module in Costa Rica.
- 2.2 To be eligible for the OAS-UCI Scholarship, candidates must first be admitted to one of the Programs. The DHDEE and the UCI shall then select the Scholarship Recipients in accordance with the criteria and recruitment and selection process to which they have agreed, and as outlined in the OAS-UCI Scholarship announcements.
- 2.3 The timeline for the Programs is as follows:
- The deadline for candidates to apply for any of the Programs through the UCI is Friday, June 14, 2019;
 - The UCI shall select students and provide the GS/OAS with a list of admitted students for each one of the Programs by Friday, June 21, 2019;
 - The deadline for admitted students to apply for the OAS-UCI Scholarship is Friday, June 28, 2019;
 - The GS/OAS shall determine which UCI selected students are eligible to receive the OAS-UCI Scholarship and provide the UCI with its lists of eligible students for each one of the Programs by Friday, July 05, 2019;
 - The GS/OAS and the UCI shall previously agree on the criteria to be used to jointly select the Scholarship Recipients from the lists prepared by the GS/OAS by Wednesday, July 10, 2019;

- The final lists of students selected for the OAS-UCI Scholarship, for each one of the Programs, shall be published by Monday, July 15, 2019, on the OAS Scholarship Website;
- Scholarship Recipients must accept or decline the OAS-UCI Scholarship offer by Friday, July 26, 2019, via email;
- The OAS-UCI Scholarship Recipients must register with UCI for the Program to which they were admitted by Friday, August 09, 2019;
- The projected start date of the Programs is Tuesday, September 17, 2019; however, such start date for one or more of the Programs may be subject to change in the event that additional time is required for the enrollment of the minimum number of students in those Programs, which is hereby established as fifteen (15) students. If the start date is delayed beyond forty-five (45) days from the projected start date of any of the Programs, above, the Parties shall reevaluate the terms of this Supplementary Agreement and consider its termination, in relation to those Programs that could not be started, pursuant to Article 7.3 below.

ARTICLE III THE OAS-UCI SCHOLARSHIP

3.1 The UCI shall waive tuition fees for the Scholarship Recipients according to the terms of one of the following three plans:

- **PLAN A:** Waive 90% of the total Program cost, excluding the USD \$300 graduation fee, which amounts to USD \$5,400 ($\text{USD } \$6,000 \times 90\%$) per Scholarship Recipient, for up to two (2) Scholarship Recipients for each one of the Programs;

The fee for the module, to be paid by the Scholarship Recipient by the end of the MIA Program and before starting the module, is \$850, and includes lodging, food, local transportation, and insurance in Costa Rica, for the duration of the module. Any additional costs incurred by the Scholarship
