

**AGREEMENT BETWEEN BELIZE AND THE REPUBLIC OF GUATEMALA
TO FACILITATE THE ISSUANCE OF STUDENT VISAS**

Belize and the Republic of Guatemala, hereinafter referred to as "The Parties",

CONSCIOUS that education is a key factor for the integral development of the individual person, knowledge of reality and national and universal culture;

CONSIDERING that the promotion of education development through educational and cultural integration processes will facilitate the exchange of students to achieve a greater learning and reciprocal benefits;

DESIRING to enhance cooperation in education between the Parties;

Agree as follows:

ARTICLE 1

Nationals of the Parties who present proof of having registered in an educational institution of the other Party will be exempt from the student visa requirement. Persons who are no longer students cannot avail themselves of this exemption.

ARTICLE 2

1. The exempted nationals under Article 1 must enter the territory of the other Party through legal points of entry.
2. This Agreement does not affect the right of either Party to deny, revoke or restrict the entry and stay of nationals of the other Party in accordance with their respective national laws.

ARTICLE 3

FINAL PROVISIONS

1. The present Agreement is based on the "Framework Agreement for Negotiations and Confidence Building Measures between Belize and Guatemala," signed on 7th September 2005, that has as an objective the maintenance and deepening of friendly

bilateral relations until the Territorial, Insular and Maritime Dispute is permanently resolved.

2. This Agreement is also based on the Road Map for the Strengthening of the Bilateral Relations signed in Washington, D.C. United States of America on 24th January 2014 by the Ministers of Foreign Affairs of the Parties, in which it was agreed to develop a programme of activities for the strengthening of the bilateral relations.
3. The present instrument shall not constitute a total or partial waiver of sovereignty over any territory (land, insular and maritime) claimed by either Party; nor shall any rights of either Party to such territory be prejudiced; nor shall any precedent be established for the strengthening or weakening of either Party's claims to any such territory. Each Party expressly reserves its rights with respect to its claims of sovereignty over any territory (land, insular or maritime).
4. The Parties agree that neither Party will use against the other, in any forum in which their territorial differendum may be addressed in the future, the fact that either of the Parties has accepted, agreed to, complied with or implemented any of the confidence building measures included herein.
5. Any dispute arising from the interpretation or application of this Agreement shall be resolved amicably through diplomatic channels.
6. This Agreement will enter into force on the date when both sides have received notification via diplomatic note that their respective legal requirements have been met.
7. The present Agreement will have a duration of ten (10) years and will be automatically extended for equal periods, unless any of the Parties, through written communication via diplomatic channels, revokes it, and the termination will be effective one (1) year after the respective notification.
8. The termination of this Agreement shall not affect the rights or benefits already acquired by the individuals by virtue of this Agreement.
9. This Agreement may be amended by mutual agreement of the Parties through written communications via diplomatic channels. Its entry into force will be in accordance with paragraph 6 of this Article.
