# EXPERIENCE IN THE COLLECTION OF INFORMATION ON DRUG SUPPLY

**GUYANA** 

### AGENCY RESPONSIBLE FOR SUPPLY STATISTICS

The National Anti-Narcotics Agency is the agency responsible for supply statistics, NANA was established by a cabinet decision in July, 2017 and became operationalized in October, 2017.

The agency falls under the Ministry of Public Security

NANA was developed to oversee the coordination of agencies responsible for the implementation of the National Drug Strategy Master Plan (2016-2020) and to develop evidence-based drug policies and programs.

The strategy focuses on the following areas:

- Demand Reduction
- Supply Reduction
- Control Measures
- Institutional Strengthening & Policy Coordination
- International Cooperation

The GUY-DIN is an inter-agency body consisting of key stakeholders from various agencies and NGOs working in the field of drug supply and demand reduction.

#### TYPES OF DATA COLLECTED

- Drug seizure, Arrest and Prosecution
- Type
- -Quantity
- Location
- -Agencies
- -Origin and destination
- Number of person charged, cases made and convicted for possession trafficking and cultivation
- -Gender and age
- Drug prices, others seizures related to drug offence, Eradication
- Forensics testing
- Drug price
- -Firearm seizures
- Crop discovered and destroyed
- Arrest and conviction
- Suspicious Activity reports

### HOW INFORMATION IS USED BY STAKEHOLDERS

- 1. Stakeholders are engaged in weekly and monthly meetings where the reports are presented, the information is then used to guide policy development, types of training needed, operations to be conducted along with providing international bodies with info on the current situation in Guyana and what is needed.
- 2. Regional and International bodies may request specific information to include in regional and global reports.
