

**PCC.III/DEC. 32(XIV-99)**

**EXTENSION OF TIME FOR THE AD HOC GROUP EXAMINING THE PROCEDURES  
FOR SUBMITTING JOINT PROPOSALS TO THE ITU**

The Fourteenth Meeting of the Permanent Consultative Committee III: Radiocommunications,

**CONSIDERING:**

- a) The time required to complete the work of the group preparing for WRC-2000 and the importance given to the topic of procedures for submission of proposals to ITU conferences, and
- b) That insufficient time was available for this Ad Hoc Group at the XIV meeting and that it is anticipated that the majority of the time of the XV meeting of PCC.III will be devoted to the preparations for the WRC-2000,

**DECIDES:**

To extend the time allocated to the Ad Hoc Group examining the procedures for submitting Joint Proposals to the ITU to complete its work until the XVI meeting of PCC.III.
