

PCC.I/RES. 204 (XX-12)¹

**PRESENTATION OF IAPS FOR WCIT TO THE ITU COUNCIL WORKING GROUP ON
WCIT-12**

The XX Meeting of the Permanent Consultative Committee I: Telecommunications/Information and Communication Technologies (PCC.I),

RECOGNIZING:

- a) Resolution COM/CITEL RES. 226 (XXI-09), “Guidelines for the Adoption of Inter-American Proposals”;
- b) Resolution PCC.I/RES. 190 (XIX-11), “Submission of Inter-American Proposals to the World Telecommunication Standardization Assembly and the World Conference on International Telecommunications”;

CONSIDERING:

- a) That the Inter-American proposals of CITEL (IAP) for International Telecommunication Union (ITU) conferences are of increasing importance, in many cases as important as national positions;
- b) That the IAPs of CITEL have played a crucial part in ITU Assemblies, especially WTSA-08;
- c) That the draft treaty on the International Telecommunication Regulations (ITRs) is being prepared by the Council Working Group on WCIT12 (CWG-WCIT12) far in advance of WCIT itself;
- d) That CITEL must make its positions known in the different preparatory meetings of the CWG-WCIT12 if they are to have significant impact on what is forwarded to the Conference;
- e) That the meeting of CWG-WCIT12 of June 2012 will be the last of this working group;
- f) That the Rapporteurship for the preparation of WTSA and WCIT of PCC.I has now prepared several IAPs for the WCIT,

RESOLVES:

1. To report to the meeting of CWG-WCIT12 in June 2012 of the IAPs for WCIT that have been adopted by the Member States of CITEL;
2. To instruct the Executive Secretary of CITEL to forward this information to the CWG-WCIT12 as a document of the Member States of CITEL for the Working Group by no later than two weeks after the close of the XX Meeting of PCC.I.
