

COM/CITEL DEC. 15 (V-97)

**COORDINATION AND COLLABORATION BETWEEN CITEL AND OTHER
TELECOMMUNICATION ENTITIES**

The Fifth Meeting of the Permanent Executive Committee of CITEL (COM/CITEL),

CONSIDERING:

That close liaison and cooperation between CITEL and other telecommunication entities is considered to form an important part of the mandate of the CITEL in providing an opportunity for the exchange of views on matters of topical interest;

That this aspect of the mandate of CITEL is specifically recognized in the Statute and Regulations;

That, in a rapidly changing telecommunication environment, the need to enhance cooperation and collaboration arrangements have assumed an even greater importance;

DECIDES:

That the Executive Secretary of CITEL should take the necessary steps for CITEL to collaborate and cooperate with other telecommunication entities in the most effective manner, including organizing meetings on a regular basis within the limits of time and budgetary constraints.
