

The XI Meeting of the Permanent Consultative Committee I: Telecommunications,

DECIDES:

<p>PCC.I/DEC.62 (XI-07)¹</p>	<ol style="list-style-type: none">1. To approve the realization of a Survey on implementation plans of the IPv6 protocol according to the format in the Annex to this decision, taking into account that the implementation of this protocol is a subject of special importance as it involves not only the CITEL Administrations but also the society and the private sector.2. To use the existent Discussion Group “DOMINAME” in the Electronic Forum of CITEL. This will serve both as a receptor channel and as a future permanent consultation channel on the implementation of said protocol IPV6 and its status of progress in the Region..3. To instruct the Executive Secretary of CITEL to distribute the survey to the Administrations of the Member States of CITEL inviting them to send their answers to the Secretariat by e-mail (citel@oas.org) or to upload it to the discusión Group “DOMINAME” of the Electronic Forum of CITEL. <p style="text-align: center;">ANNEX TO DECISION PCC.I/DEC.62 (XI-07)</p> <p style="text-align: center;">SURVEY</p> <p>Administration:</p> <p>Organization:</p> <p>Name:</p> <p>Phone number:</p> <p>E-mail:</p> <p>Please circle the correct answer</p> <ol style="list-style-type: none">1) Does your administration plan to implement the IPV6 Protocol in the government area? Yes No2) If the answer is yes, which is the estimated time of such an implementation? 3 Months 6 Months More3) If the answer is no, is there any plan for said implementation in the immediate future? Yes No4) If the answer is no, are you interested in receiving information about this kind of implementation? Yes No
