

COM/CITEL RES. 156 (XIII-03) ¹

CYBERSECURITY

The XIII Meeting of the Permanent Executive Committee of CITEL, COM/CITEL,

RECOGNIZING:

That secure and efficient operation of the global telecommunications infrastructure is crucial to the welfare and development of all sectors of the economy and therefore is of vital interest to both governments and the private sector,

CONSIDERING:

That the third meeting of the PCC.I in Mexico City adopted a resolution on Cybersecurity (PCC.I/RES.35 (III-03)), which includes a work plan on cybersecurity,

RESOLVES:

1. To solicit information from CITEL Member States regarding their efforts to enhance cybersecurity in order to carry out the CITEL work plan on cybersecurity.
2. To instruct the Chairman of PCC.I to carry out this work accordingly.
