

PCC.I/DEC. 192 (XXIV-14) ¹

ON “USE OF MOBILE DEVICES IN EMERGENCIES”

The XXIV Meeting of the Permanent Consultative Committee I: Telecommunications/ Information and Communication Technologies (PCC.I),

DECIDES:

1. To instruct the CITEL Secretariat to coordinate with the GSMLA to conduct an online tutorial in May 2014 on the trends and challenges for the use of mobile devices in emergencies. The CITEL Secretariat will coordinate with the Rapporteur on disaster prevention, response and mitigation the agenda and will invite Member States and associate members to participate in the tutorial.
2. That the content of the tutorial will be focused primarily for telecommunications regulators.
