

**CITEL RES. 2(I-94)**

**FEES OF ASSOCIATE MEMBERS**

The First Assembly of the Inter-American Telecommunication Commission,

**CONSIDERING:**

That, pursuant to Article 24 of the CITEL Statute, Associate Members may now be established and may fully participate in all the activities of that Permanent Consultative Committee (PCC) in which it is an associate member,

That, pursuant to Article 29 of the CITEL Statute, fees from Associate Members are to be determined by the CITEL Regulations, and

That, pursuant to Article 84 of the CITEL Regulations, the smallest contributory level of Associate Member fees is "one" unit, with the monetary value of the unit, stated in U.S. dollars, being set by the CITEL Assembly.

**BEARING IN MIND:**

That the value of the unit as a minimum level would correspond to all costs related to attendance by representatives of Associate Members in each PCC which it holds a membership, per year; and

That, since membership is voluntary and the level of subscription may voluntarily exceed "one" unit, the value of the unit should be set low enough to be affordable to Private Sector Organizations throughout the Americas Region - yet high enough to cover costs associated with Associate Members participation.

**RESOLVES:**

1. That the value of the "unit" for Associate Member fees be set at One Thousand U.S. Dollars (US\$ 1,000).
2. That the value of the "unit" for Associate Member fees may be reviewed and adjusted, if necessary, at subsequent regular meetings of the CITEL Assembly.
3. That, since any Associate Member may voluntarily choose an annual subscription level in excess of "one" unit for each PCC in which it holds a membership, all Associate Members who are in a position to do so are urged to subscribe to multiple units as their Associate Member fee in each PCC.
