

**DRAFT DECISION ON AMENDMENTS TO THE MANDATES OF THE PERMANENT
CONSULTATIVE COMMITTEE II: RADIOCOMMUNICATIONS (PCC.II) FOR THE PERIOD
2022 – 2026**

The 38th Meeting of Permanent Consultative Committee II: Radiocommunication (PCC.II)

DECIDES:

1. To request COM/CITEL to forward the proposed amendments to the mandates of Permanent Consultative Committee II: Radiocommunications (PCC.II), as established in Annex II to Resolution CITEL / RES. 85 (VII-18), to the VIII Regular Meeting of the Assembly of CITEL for its consideration.

¹ CCPH-2021-38-5398r2

ANNEX I TO DECISION PCC.II/DEC.222(XXXVIII-21)

PROPOSED AMENDMENTS TO ANNEX II TO RESOLUTION CITEL/RES. 85 (VII-18)

Permanent Consultative Committee II: Radiocommunications (PCC.II)

Objective: Promote debate and regional cooperation on issues related to the planning, coordination, harmonization, and efficient use of the radio spectrum, as well as geostationary and non- geostationary satellite orbits, for radiocommunication services. Organize regional participation towards the development of common regional proposals to ITU World and Regional Radiocommunication Conferences as well as other conferences related to radiocommunications

Mandates:

1. Promote among the Member States harmonization of the use of the radiofrequency spectrum, taking into account especially the need to prevent and avoid harmful interference, as well as protection against the electromagnetic environment.
2. Discuss and share innovative practices in efficient spectrum management. 3
3. Promote and foster the development of radiocommunication services.
4. Promote research and development of new technologies that enables the implementation of radiocommunication networks and services with a more efficient use of spectrum.
5. Promote innovative regimes in the licensing of radiocommunication services and incentives for the development of new business models.
6. Provide information to the members on the outputs and outcomes of the World Radiocommunication Conference (WRC) and other world and regional conferences/assemblies related to radiocommunication issues.
7. Coordinate regional preparations for Conference Preparatory Meetings, ITU Regional Radiocommunication Conferences and Radio Assemblies (RA), including the preparation and submission of Inter-American Proposals (IAPs) to WRCs, elaborated in accordance with the specific procedures of PCC.II.
8. Promote the interaction and coordination with the other regional organizations on ITU-R work.
9. Encourage regional participation in the meetings of ITU-R Radiocommunication Advisory Group and Study Groups, including the coordination and presentation of Inter-American Contributions (IACs) prepared and submitted in accordance with the specific procedures developed by PCC.II; ;
- 9bis. Promote outreach with other Regional Organizations in order to coordinate and harmonize views on WRC agenda items;
10. Work in coordination with the different committees and working groups of CITEL in those areas which, by their nature, lend themselves to joint action.

11. Promote the efficient use of the radiofrequency spectrum and of satellite orbit resources in the region.
12. Encourage active participation by the private sector, including SMEs and non-profit organizations, and of the academic sector as associate members, as well as foster dialogue between them and the CITEL Administrations.
13. Create monitoring mechanisms for the implementation of decisions, resolutions and recommendations adopted by PCC.II.
