

PCC.I/RES. 329 (XXLII-23)¹

APPROVAL OF INTERIM VIRTUAL MEETINGS TO PREPARE FOR THE WORLD TELECOMMUNICATION STANDARDIZATION ASSEMBLY (WTSA-24) AND THE WORLD TELECOMMUNICATION DEVELOPMENT CONFERENCE (WTDC-25)

The 42 Meeting of Permanent Consultative Committee I: Telecommunications/Information and Communication Technologies (PCC.I),

CONSIDERING:

a) That CITEL's preparation for the 2024 World Telecommunication Standardization Assembly (WTSA) and the upcoming 2025 World Telecommunication Development Conference (WTDC) must necessarily continue virtually due to the challenges of having only two face-to-face meetings per year for this work and because there is insufficient preparation time for the Member States to develop, negotiate and approve the Inter-American Proposals.

b) That Resolution PCC.I/RES. 328 (XVII-23) of this meeting adopted guidelines for adopting and submitting IAPs.

RESOLVES:

1. To authorize WGCONF to continue its work virtually between the face-to-face meetings of the PCC.I.

To instruct the CITEL Secretariat to send the invitations to such virtual PCC.I meetings to the Member States at least two (2) weeks in advance.
