

TRANSMIT RESULTS OF PCC.I PREPARATIONS FOR WTSA-24 WITH OTHER REGIONS

The 42 Meeting of Permanent Consultative Committee I: Telecommunications / Information and Communication Technologies (PCC.I),

CONSIDERING:

1. The importance of exchanging information with other Regional Telecommunication Organizations regarding the preparations for the 2024 World Telecommunication Standardization Assembly (WTSA-24) in order to identify areas of convergence, reach consensus or at least common understanding on as many issues as possible prior to this Assembly,

DECIDES:

1. To send the report of the WGCONF meeting during the 42 meeting of PCC.I to the other Regional Telecommunication Organizations;
2. To entrust the Secretariat with distributing said report to the other Regional Telecommunication Organizations.
