

The XIV Meeting of the Permanent Consultative Committee II: Radiocommunications including Broadcasting,

**DECIDES:**

**PCC.II/DEC. 88 (XIV-09)**<sup>1</sup>

To instruct the Executive Secretary:

1. To send the CITELE Member States the document CCP.II-RADIO/doc.2098/09, which provides a description of the status of certain Recommendations related to the Radionavigation Satellite Service (RNSS) presently under consideration in the ITU-R.
2. To invite the Member States of CITELE to send letters of support to ITU-R Study Group 4 (example included in the above mentioned document) endorsing the referenced Draft New Recommendations.
