VENUE OF THE GENERAL ASSEMBLY

The fifty-second regular session of the General Assembly of the Organization of American States (OAS) will be held from October 5-7, 2022, in Lima, Peru. The sessions will be held at the Lima Convention Center (LCC), located at *Calle la Arqueología # 206, San Borja, Lima*.

The Dialogue of the Heads of Delegation, the Secretary General, the Assistant Secretary General and the Representatives of Civil Society Organizations, workers, the Private Sector and Other Social Actors (“Dialogue”) will take place in Lima, Peru, on October 5, 2022, from 9:00 a.m. to 1:00 p.m. All duly accredited people, representatives of civil society organizations, will have access to the Dialogue.

Due to space limitations and the number of people registered, access to the General Committee will be limited to one person per coalition. We ask Coalition coordinators to confirm the name of the person.

A limited number of representatives of civil society organizations will be allowed access to the plenary sessions. Later we will inform the methodology for admission.

COALITIONS

- Since 2017, civil society organizations and social actors have been organized in Coalitions of groups and representatives with similar positions, who choose their spokespersons to represent them in the Dialogue.

- Each Coalition determines its membership and work methodology. Organizations interested in joining a Coalition should contact its Coordination directly (see Annex 3 for contact details).
- The Civil Society Relations Section will communicate directly with the Coalitions coordinators regarding the methodology to be followed for their participation in the Dialogue.

PROCEDURE TO APPLY TO ATTEND THE GENERAL ASSEMBLY

1. Civil Society Organizations, Indigenous Peoples and Communities of African Descent:

In accordance with the Rules of Procedure of the OAS General Assembly, the civil society organizations who wish to attend the General Assembly under the category “Civil Society Organization” submitted the corresponding request to the OAS General Secretariat by **Friday, August 12, 2022, at 5:30 p.m., Washington D.C. time.**

The Trade Union Confederation of the Americas (TUCA) supports this process.

Invitations to workers organizations are made through COSATE, which internally selects its representatives and spokespersons. The Chair of COSATE will send the GS/OAS a list of the workers representatives who are to attend the General Assembly. Only persons whose names appear on that list may receive accreditation.

The registration of Civil Society Organizations in the Organization of American States is free; as is the registration for attending and participating in meetings of the General Assembly of the Organization.

APPENDIX 2

RULES OF PARTICIPATION IN THE VENUES AND ACTIVITIES OF THE GENERAL ASSEMBLY

A large number of representatives from civil society and other social actors will participate in the 52nd General Assembly of the Organization of American States (OAS), which will provide with an open forum for dialogue and exchange of views of this sector with OAS Member States.

The organizers of the General Assembly want this to be a safe and productive space of dialogue for all participants. To this end, this document sets forth the rules of conduct expected from each one of the participants at the General Assembly:

1. We are committed to having diverse points of view represented, as well as rich and constructive discussions based on plurality and respect. Thus, participants must commit to making these working forums welcoming and respectful places for all participants, regardless of their national origin, ethnicity, gender, gender identity and expression, age, sexual orientation, disability, or physical appearance.
2. **No harassment of any kind or disrespect toward General Assembly participants (Member State Delegates, Civil Society) or organizers will be tolerated.** Examples of harassment or disrespect include: offensive comments, verbal threats, intimidation, stalking, harassment through photographs or recording or through phone calls or texts, disruptive behavior at sessions, events, or inside and outside of the bathrooms and unwanted physical contact.
3. **Banners, flags or other objects that promote a particular position on an issue are not allowed inside the venue.**
4. **During the Dialogue**, representatives of civil society and social actors **must remain in their seat at all times.**
5. During the **Plenary and General Committee sessions**, representatives of civil society and social actors can be present as **observers**. This implies that they may not approach or interrupt the work of the Delegates of the Member States for any reason.
6. Access to the designated spaces of the General Assembly will be strictly reserved for accredited persons. The accreditations will be delivered only to persons whose organizations have been approved by the Permanent Council and who have received an official letter of invitation from the General Secretariat of the OAS.
7. In the event a participant violates these rules, the 52nd General Assembly organizers reserve the right to bar participants involved from remaining, inviting them to leave without a right to continue to participate, as well as to consider adopting the measures they deem appropriate to safeguard the principles of pluralism and respect.
8. **Participants must always follow these rules of participation.** If participants are requested to desist from any inappropriate behavior, they must immediately comply with the request or they may be removed from the venue.
