**PARTNERSHIP PROGRAM FOR EDUCATION AND TRAINING (PAEC)
BETWEEN THE ORGANIZATION OF AMERICAN STATES (OAS)
AND THE NATIONAL RESEARCH AND DEVELOPMENT AGENCY OF CHILE (ANID)**

Published: June 2, 2022

The National Research and Development Agency (ANID) - formerly the National Commission for Scientific and Technological Research of Chile (CONICYT), through the National Doctoral Degree Scholarship Competition of the Formation of Advanced Human Capital Program, and the Organization of American States (OAS), are pleased to announce that the following candidates were selected in the sixth call of the PAEC OAS-ANID Scholarship Program.

Below are listed, in alphabetical order, the candidates selected by the OAS-ANID Scholarships Selection Committee, to receive the one-time contribution of USD \$ 1,200 for installation expenses. We kindly ask the selected candidates included in this list to wait for the communication from ANID and the OAS.

Due to the high volume of applications and the vast competition, only selected candidates will be contacted. Therefore, the bidding institutions will not provide information on the individual participation of unsuccessful candidates. In case of declinations, the scholarships will be offered to other candidates according to the order established by the Selection Committee. Please note that the name of the alternate candidates will not be published.
