## ▼ ABOUT THE PARTNER INSTITUTIONS

The OAS General Secretariat (GS/OAS) is the central and permanent organ of the [Organization of American States](#) (OAS).

- Through its Department of Human Development, Education and Employment (DHDEE), GS/OAS supports [OAS member States](#) in creating policies and executing programs that promote human capacity development at all educational levels.
- By enabling formative opportunities to citizens, DHDEE strengthens democratic values and security under the framework of regional integration.
- DHDEE does this: (i) by supporting the efforts of OAS member states to improve the quality of and equity in education; and (ii) by assisting the citizens of the Americas in realizing their full potential by giving them access to knowledge and skills through training that improves the standard of living for individuals, families and communities in the region.

[The University of the West Indies](#) (UWI), established in 1948 initially as an external College of the University of London and made fully independent in 1962, is the oldest, fully regional institution of higher learning in the Commonwealth Caribbean.

- Supported by seventeen countries all current or former colonies of Great Britain, the University is committed to the development of the region through the training of its human resources, conducting research, delivering advisory services to governments as well as to the private sector and forging links with other institutions in the wider region and the rest of the world.
- The University has expanded to four campuses that serve diverse communities across the Caribbean region Cave Hill (in Barbados), Mona (in Jamaica) and St. Augustine (in Trinidad) and the Open Campus all of which deliver high quality education, research and services to all 17 contributing countries that support the University.
- The University of the West Indies currently has a total enrollment of over 47,000 students and graduates annually over 8,000 students (at undergraduate, graduate and diploma levels)
