IN PARTNERSHIP WITH

The Behavioral Foundations of Policy... lessons from BIT

Elspeth Kirkman

Head of BIT North America

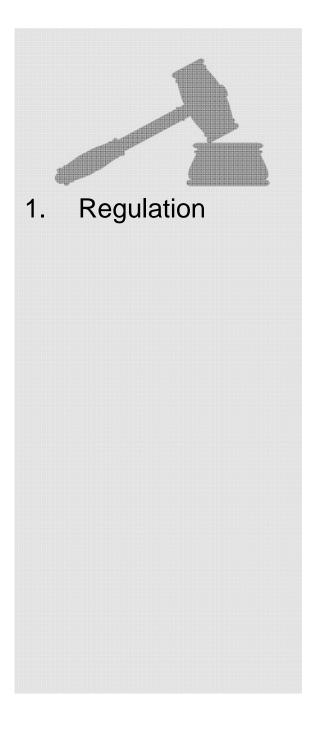

- 1. Understand what we mean when we talk about "Behavioural Insights"
- 2. Understand the implications in a policy context
- 3. Get familiar with a new framework to consider problems from a behavioural angle

Simply put, behavioural insights are gleaned from the study of what makes people do the things they do. Some of it is really intuitive... and some of it is pretty surprising.

Academics study human behaviour in a whole range of fields:

- Psychology
- Economics
- Anthropology
- Marketing
- Sociology
- ... and beyond!

The Behavioural Insights Team applies lessons from this research to public policy problems.

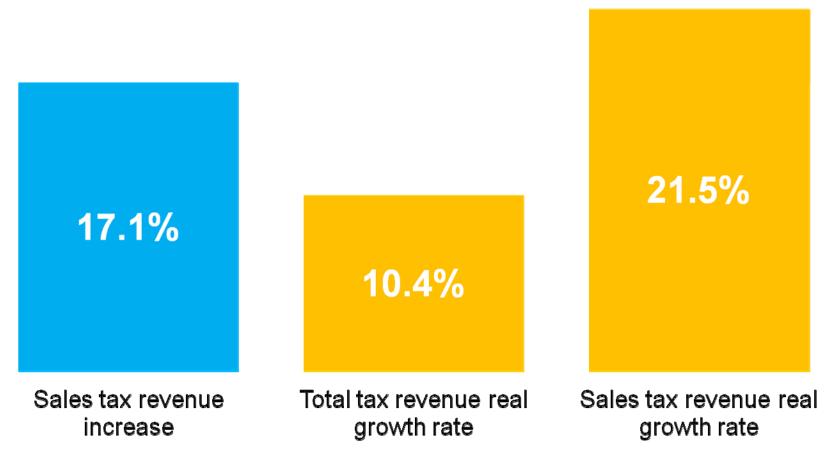

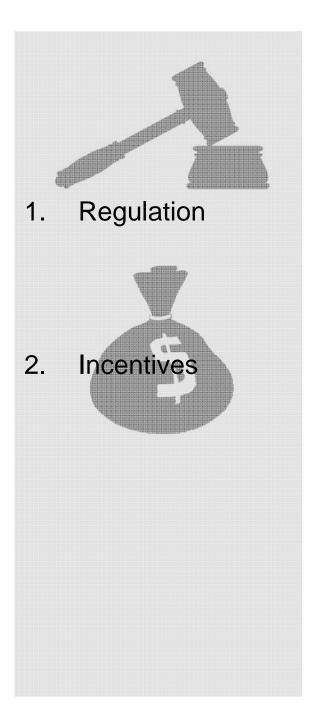

How did China get **businesses to** pay taxes by making receipts attractive?

Sales tax grew considerably; a corollary for the reduction of underground economic activity

THE BEHAVIOURAL INSIGHTS TEAM.

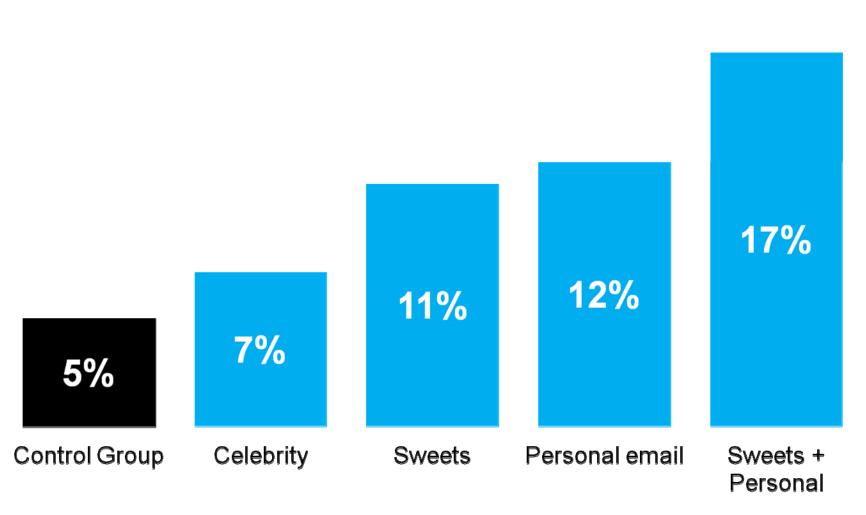

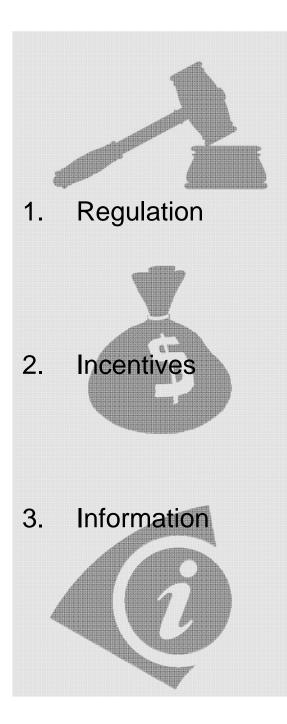

How did we get bankers to donate £500,000 to charity in one day?

Proportion giving away a day's salary to charity

THE BEHAVIOURAL INSIGHTS TEAM.

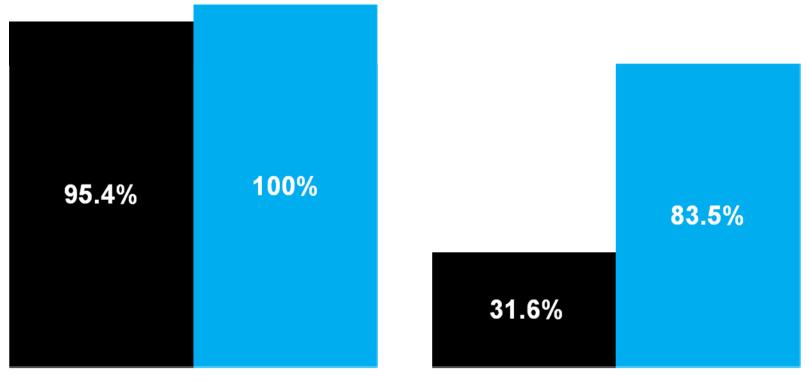

How did better forms reduce prescription errors?

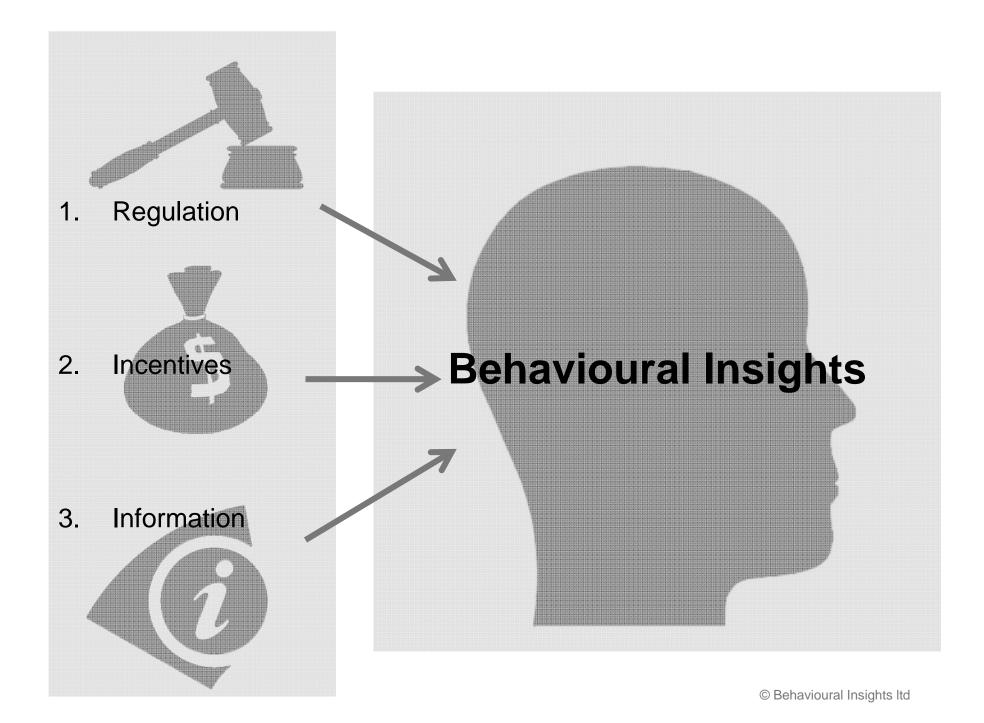

Prescribers Write prescriptions legibly Id Use approved names, block letters, metric dosage, English instructions and avoid abbreviations • Micrograms and units must be written in full Complete the prescription chart in black ink Changes in dose and/or frequency: discontinue drug and prescribe on a new line. Do not alter existing is furtions • Discontinue drugs by crossing through, sign and date them N.B. Unclear prescriptions or those with no completed allergy status will not be dispensed or adm Nurses/Midwives Check the entries in ever y section to avoid omissions Initial administration in the appr opriate box • Enter the appropriate code in the box in the event of non-administration; specify action taken on the back of the ch **REGULAR PRESCRIPTIONS** Date **MEDICINE (Approved name)** 6 CSMHX CS EXAMPLE microgram mg g units Other CS OG CS 5 New PO OD BD TDS QDS Other MHOGMH A. Doctor 4528 31/03 After food New

Better forms can save lives! Dosage errors were THE reduced and key information included more often

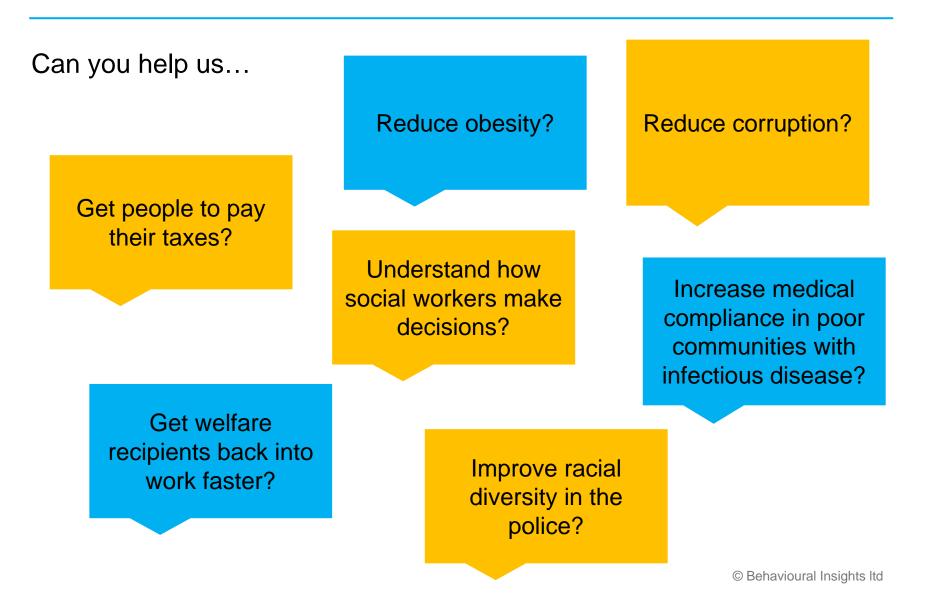

Correct dose entries

Prescriber's contact number

We get asked to apply behavioral insights all over government and beyond

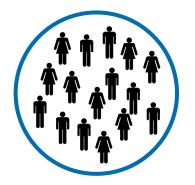

THE BEHAVIORAL INSIGHTS TEAM.

How do we know if something worked?

THE BEHAVIOURAL INSIGHTS TEAM.

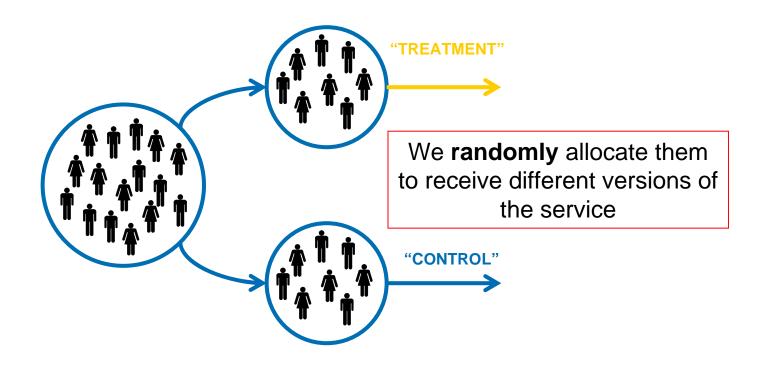

Quite simply, we run an experiment!

We start with a group of people (or organisations) we want to try something new with
