

# A DIGITAL ECONOMY WITH BETTER JOBS

Name of Initiative:	Enhancing public policies and strengthening institutional capacity on telework and work in digital platforms
Duration:	2022 to 2024
Current participating Countries:	All OAS Member States
Objective:	Contribute to building a more just, inclusive, and job-centered digital economy through enhanced public policies and government capabilities on telework and work in digital platforms.
Activities:	<ul style="list-style-type: none"><li>• Systematize, publish, and analyze telework policies and regulations.</li><li>• Facilitate hemispheric dialogues among governments, workers' and employers' organizations on regulating telework and work in digital platforms.</li><li>• Develop protocols and guidelines on inclusive and gender-sensitive policies and regulations on telework and work in digital platforms.</li><li>• Undertake bilateral and multilateral cooperation activities among Ministries of Labor to support the design and implementation of telework and work in digital platforms policies.</li></ul>
Cost and Funding:	USD \$610,000
Request from Partners:	<ul style="list-style-type: none"><li>• Funding</li><li>• Provide technical expertise and guidance</li><li>• Share knowledge and best practices</li></ul>

## Sub-themes:

- Digital economy
- New forms of employment
- Labor market inclusion

## Beneficiaries:

- Ministries of Labor
- workers' and employers' organizations
- Labor force

## Expected Results

Better knowledge and enhanced institutional capacity in governments, workers' and employers' organizations to address telework and work in digital platforms in order to ensure these new forms of employment do not deepen inequalities but, rather, contribute to reduce them.
