THE PROVIDENT PLAN

a/k/a "SUB-PLAN 1"¹

INTRODUCTION

The Provident Plan ("the Plan") is a defined-contribution plan under the terms of the United States Internal Revenue Code. It provides that each Plan Member will make a monthly contribution of 5% of pensionable remuneration, and that the employer will make a matching contribution of an equal amount. All contributions vest immediately. Interest is credited to the individual Member accounts at the same time and at the same rate that it is credited Member accounts in the OAS Retirement and Pension Fund. When the Member separates from service, or joins any other OAS Retirement Plan, the Member receives the entire cash amount in the account. The OAS Retirement and Pension Committee serves as the Plan's Trustees, and the Secretary-Treasurer of the OAS Retirement and Pension Fund is the Plan Administrator.

The OAS Retirement and Pension Committee established the Provident Plan for temporary employees by way of Announcement No. 14 on July 10, 1956. The purpose of the Plan was to provide a retirement savings trust account, under the Committee's supervision, for the temporary employees of the OAS General Secretariat and other Inter-American institutions, who at that time, were denied the right to participate in the OAS Retirement and Pension Plan.

Since 1956 when the Provident Plan was first created, there have been many changes in the employment practices of the General Secretariat. For

¹ The Provident Plan is also known as Sub-Plan 1 within a group of Plans known as the Revitalized Provident Plan, described in general terms in a document published in February 1999, by the OAS General Secretariat entitled "Background and Information on the Revitalized Provident Plan." This Plan document describes the terms of Sub-Plan 1. Sub-Plan 2 consists of a non-qualified retirement savings account established in the OAS Credit Union for temporary employees who chose not to opt for Sub-Plan 1. The employer and employee contributions for Sub-Plan 2 are the same as in Sub-Plan 1. Sub-Plan 3 is a qualified Section 401(m) savings account for trust appointees and other temporary employees with contracts of more than a year. The employer contribution is 14% of pensionable remuneration, and the employee contribution is 7%. All contributions vest immediately. Sub-Plan 4 consists of a non-qualified pension savings account established in the OAS Credit Union for temporary employees with contracts of more than one year and trust appointees. The employer and employee contributions are the same as in Sub-Plan 3.

example, since 1980, the General Secretariat's rules have allowed most temporary staff members with fixed term contracts of one year or more and trust appointments to enter the OAS Retirement and Pension Plan. More recently, in February 1999, the Secretariat, in coordination with the Retirement and Pension Committee, established additional retirement savings options for temporary staff members. Thus, the number of staff members entering the Provident Fund is greatly reduced from prior years.² Today, the Provident Plan serves principally IICA employees with less than two years of service and GS/OAS staff members with contracts of up to one year, including those with Special Observer Contracts ("SOCs").

Similarly, since 1956, the laws governing the establishment of qualified pension trusts plans have undergone substantial revision. It is necessary to assure that the Provident Plan, as documented and administered, maintains its status as a qualified pension trust under those laws. If the Provident Plan were to lose its qualified status, participants would have to pay taxes on the 5% institutional contributions deposited and the interest and other income credited to their accounts. They would also lose the right to rollover withdrawals from the Plan into another qualified pension trust or Individual Retirement Account.

Notwithstanding those developments, the Provident Plan has remained remarkably unchanged since it was established in 1956. In fact, Announcement No. 14 is the only written document setting out the terms of the Plan. Although the terms of Announcement 14 are, in principal, consistent with the requirements for qualification under United States law, the Secretariat's and the Pension Committee's interest in maintaining its qualified status under current U.S. laws requires that the terms of the Plan be set out in a different format and with greater specificity. It is for that reason that the Pension Committee, with the support of its Secretariat and Department of Legal Services, has approved and issued this Plan Document to replace Announcement No. 14.

- 3.4 Contributions may not exceed the limits established under Section 415 of the Code, so that:
- a. The annual addition to a Member's Account for any Plan Year, which shall be considered the "limitation year" for purposes of Section 415 of the Code, when added to the Member's annual addition for that Plan Year under any other qualified defined contribution plan of the Employer, shall not exceed an amount which is equal to the lesser of (i) 25% of his or her aggregate remuneration for that Plan Year or (ii) \$30,000, as adjusted pursuant to Section 415(d) of the Code; and

The amount of the reduction attributable to the Member's matched Employee contributions shall be returned to the Member, together

ARTICLE IX AMENDMENT, MERGER, AND TERMINATION

- 9.1 GS/OAS, in consultation with the Committee, may amend in whole or in part any or all of the provisions of the Plan; however, no amendment shall allow any part of the Fund to be used for or diverted to purposes other than for the exclusive benefit of persons entitled to payments under the Plan. No amendment shall have the effect of decreasing the balance of the Account of any Member or of reducing the nonforfeitable balance of the Account of a Member computed under the Plan as of the effective date on which the amendment is adopted, or if later, the date on which the amendment enters into force.
- 9.2 GS/OAS may merge this Plan with another qualified plan, or transfer a portion of the Plan's assets and liabilities to another qualified plan. The Plan may not be merged or consolidated with, and its assets or liabilities may not be transferred to, any other plan unless each person entitled to benefits under the Plan would, if the resulting plan were then terminated, receive a benefit immediately after the merger, consolidation, or transfer which is equal to or greater than the benefit the Member would have been entitled to receive immediately before the merger, consolidation, or transfer if the Plan had then terminated.

- 9.3 GS/OAS may terminate the Plan or completely discontinue contributions under the Plan for any reason at any time. In case of termination or partial termination of the Plan, or complete discontinuance of Employer contributions to the Plan, the rights of affected Members to their Accounts under the Plan as of the date of the termination or discontinuance shall be nonforfeitable. In the event of the Plan's termination, the total amount in each Member's Accounts shall be distributed to the Member if permitted by law, or continued in trust for the Member's benefit, as the Plan Administrator may direct.

ARTICLE X GENERAL PROVISIONS

- 10.1 The establishment of the Plan shall not confer any legal rights upon any Employee or other person for a continuation of employment, nor shall it interfere with the rights of the Employer to discharge any Employee and to treat him or her without regard to the effect which that treatment might have upon him or her as a Member or potential Member of the Plan.
- 10.2 If the Plan Administrator shall find that a Member or other person entitled to a benefit is unable to care for his or her affairs because of illness or accident or because the Member or other person is a minor, the Plan Administrator may direct that any benefit due the Member or other person, unless claim shall have been made for the benefit by a duly appointed legal representative, be paid to the Member's or other person's spouse, a child, a parent, or other blood relative, or to a person with whom the Member or other person resides. Any payment so made shall be a complete discharge of the liabilities of the Plan for the benefit.
- 10.3 Notwithstanding any provision of the Plan to the contrary, if a Member's Account is credited with an erroneous amount due to a mistake in fact or law, the Plan Administrator shall adjust such Account in such equitable manner as the Plan Administrator deems appropriate to correct the erroneous allocation.

If such person has not made written claim therefor within three months of the date of the mailing, the Plan Administrator may, upon receiving advice from legal counsel to the Plan, direct that such payment and all remaining payments otherwise due such person be canceled on the records of the Plan and the amount thereof applied to reduce the contributions of the Employer or distributed to the other Plan Members as a income from a forfeiture. Upon such cancellation, the Plan and the Trust shall have no further liability for the payment of said benefits.
- 10.6 Any elections, notifications, or designations made by a Member pursuant to the provisions of the Plan shall be made in writing and filed with the Plan Administrator in a time and manner determined by the Plan Administrator under rules uniformly applicable to all employees similarly situated. The Plan Administrator may change from time to time the manner for making notifications, elections, or designations by Members under the Plan if the Plan Administrator determines that such action improves the administration of the Plan.
- 10.7 The Plan shall be construed, regulated, and administered under ERISA and the laws of the District of Columbia, to the extent they apply to governmental plans of public international organizations.
- 10.8 Nothing in this Plan constitutes a waiver, express or implied of the privileges and immunities of the Employer, the Secretary-Treasurer, the Committee and its members, and the Employer's staff members under the laws of the United States of America or the laws of any other OAS Member State.
- 10.9 A Member or former Member may appeal to the Administrative Tribunal of the Organization of American States from any decision of the Committee or of the Secretary-Treasurer; however, prior to making such appeal, the Complainant must first request the Committee to reconsider the contested decision. The request for reconsideration must be filed with the Secretary-Treasurer no later than thirty days after the Member first receives notice of the contested decision. If the Committee fails to reconsider the decision and

notify the Complainant of its final decision within sixty days of its receipt of the request, the Complainant may proceed to the Administrative Tribunal in accordance with the requirements of the Tribunal Statute and its Rules of Procedure.
